### SCHOOL DANCE POLICY

School dances provide an opportunity for students to socialize in a safe atmosphere. All students are expected to adhere to the following CCHS Dance policy:

- Dress and behave in an appropriate manner. Students must not wear apparel that reveals visible cleavage or undergarments. Tight and extremely form fitting apparel is not allowed.
- This dance hosted by Central Catholic High School is open only to current Central Catholic High school students. All students must stay at the dance until 10:00 pm.
- Before each dance, students and one parent must have signed and submitted a dance contract.
- All school rules remain in effect. This Sadie Hawkins Dance will be held in the CCHS Gymnasium.
- Students and guests are expected to respect themselves and each other. Lewd and/or vulgar dancing or conduct is disrespectful, offensive and will not be tolerated. All dance styles must comply with standards of Christian morality, including modesty and safety. School personnel will be the final judge of the appropriateness of the dance style. The following will be strictly prohibited: Grinding (front to back dancing), dancing in a tight group, suggestive or dangerous dancing. Dancing in a manner deemed unacceptable by the school dance chaperones will follow a three strikes policy. Strike 1: Warning Strike 2: Timeout Strike 3: Immediate removal from the dance. The chaperones will notify parent/guardian of the violation and dismissal from dance. No refund will be issued. Students dismissed from the dance will not be permitted to attend the next school dance. Students in violation of these or any school policies may also be subject to school disciplinary procedures.
- Use of alcohol, drugs, or tobacco is not permitted. Before entering and departing the dance, all students will be subject to alcohol screenings. If a positive reading is found in the course of a screening, the student will be immediately removed from the activity and the parents and proper authorities will be notified. The student will be subject to further disciplinary action as a result. If a guest registers a positive reading, both the student and the guest will be removed from the activity and parents will be notified.
- Any violation of the dance policy will result in notification of parents who will be asked to pick up the student at the dance. It may also result in suspension of future extracurricular activities
