## Students Help Out with St. Michael Angel Walk!

## Big Sisters Club Hits the Ground Running for Suicide Awareness

The CCHS Big Sisters Club met for the first time this week and then hit the streets for Suicide Prevention Awareness Month. Members showed up to school before the sun was up and took to the front sidewalks to leave uplifting and life-affirming messages regarding the value of life and the beauty of God's love. What a wonderful thing to see first thing in the morning!

# CCHS Students Participate in Veteran Memorial Event

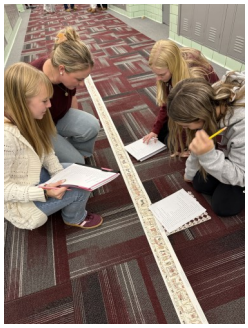
Students and staff recently participated in a very special event to honor military Pfc Robert 'Tommy' O'Neill, KIA in 1954 while serving the US Marin Corps in Okinawa. The ceremony took place at Wesbanco Arena and was attended by Pfc O'Neill's family and friends.

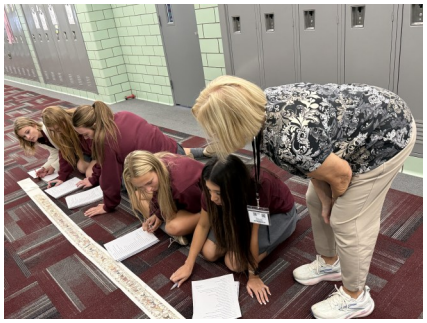
Mr. Magruder led the group in the recitation of the Pledge of Allegiance, while the CCHS Choir performed the National Anthem. Several veteran organizations, as well as Mayor Denny Magruder and Wheeling City Manager Robert Herron also participated in the event.

# The Bayeux Tapestry from a Different Perspective

Both Madame Hartman and Madame Hutchison recently presented scavenger hunts for their students featuring the Bayeux Tapestry, but each had a different perspective. Madame Hartman is teaching English this year, so her students are looking at it a bit differently from Madame Hutchison's. Whether you sympathize with the Anglo-Saxons or the Normans, the tapestry offers a unique and highly detailed version of events.

The tapestry tells the story of the 1066 Norman Conquest and it is bursting with history for students of both English and French. Following the timeline to identify specific points takes significant concentration and attention to the fine points of the artwork.





# CCHS Students Participate in Spanish Mass

Earlier this month, the Cathedral of St. Joseph hosted a very special mass and we had a pair of CCHS students participate. Newly appointed Bishop Evelio Menjivar-Ayala celebrated the mass entirely in Spanish, marking the beginning a monthly Spanish mass for our local community.

CCHS Juniors JC Poyser and Mily Sharp-Iriarte attended the celebration, as well as the community gathering that followed. They even had the opportunity to meet and pose for a picture with Bishop Evelio!

It is a wonderful thing for these students to participate in an important cultural milestone of this type.

# Spanish Students Celebrate Hispanic Heritage Month

Spanish students kicked off the start of Hispanic Heritage month which runs from Sept. 15th to Oct, 15th. They made displays, created bookmarks, and learned about the history and origin of the culture. Hispanic Heritage Month honors and celebrates the contributions that Hispanic and Hispanic Americans have made in the areas of art, music, politics and advocacy. Each day they will watch a short bio on some of the noted individuals who have contributed to their culture.

The official theme for this year's National Hispanic Heritage Month is "Unidos, somos mas", which translates to 'Together, we are more." The theme highlights community strength, shared values and the collective impact and unity of Hispanic and Latino Americans. It is always a special month at CCHS, as Senorita Ray creates a festive atmosphere for her students to enjoy the many aspects of the month.

# CCHS Students Attend Chick-Fil-A Leadership Summit

Four students represented CCHS at the Chick-Fil-A Leadership Summit, held recently in Fairmont. The regional summits bring together student-athletes, coaches and local leaders to focus on character, vision and leadership skills. The event in Fairmont was sponsored by Chick-Fil-A and held in sponsorship with the West Virginia SSAC. Pictured are J.D. Schoolcraft, Clayton Petry,  Morgan Miehle and Aylin Yoho.

# Trade Fair Offers Option for Students after Graduation

Students who have interest in pursing careers in the trade industry had an opportunity to learn more about their options recently when they attended the Project Best Trade Fair. The fair featured roughly 30 vendors, all of which offered students the chance to ask questions, get a bit of hands-on experience and network with like-minded students from schools across the area. It's an excellent chance for students who know they're interested in trade careers to 'fine tune' exactly what specifically they would like to pursue.
