

Hello from the Guidance Office! Our seniors have been doing a great job getting their scholarship applications in on time. There are still quite a few scholarships available so please take advantage of this opportunity to apply for some extra money for college. All seniors that have a 3.0 GPA should apply for the Albert Christ Scholarship.

### **SAT School Day**

The state of West Virginia has adopted the SAT as the state's summative assessment. CCHS will be participating in this SAT SCHOOL DAY scheduled for Tuesday, April 9th, (during a regular school day at CCHS). It will be administered to all CCHS Juniors free of charge.

This is the nationally recognized college- and career-readiness assessment administered by the College Board and therefore, this test score will be accepted at colleges and universities throughout West Virginia and the nation for both college admissions and placement. It also can be used to qualify for the Promise Scholarship.

As is our recommendation, most students take the ACT and SAT for the first time in the spring of their junior year. I have encouraged the Juniors to consider this SAT test day when planning an ACT test date. If your student has not yet taken an ACT or is not registered for the next ACT test (April 13th), the remaining ACT test dates and registration deadlines are June 8th (deadline May 3), and July 13th (deadline June 14).

### **Seniors, What You Should Be Doing**

Seniors if you are wondering if you are on track and doing everything you should be doing to get ready for college, here is a checklist of things:

- Taking/retaking the ACT or SAT test
- Narrowing your college choices down and making a decision
- Applying for Scholarships
- Reviewing your financial aid awards for acceptance
- Making college housing and meal plan arrangements
- Working on your College and Scholarship Information Forms (see below)

### **Albert Christ Scholarship**
